Dear Sir/Madam,

GREETINGS FROM NAAC A⁺ ACCREDITED, UGC 12B RECOGNIZED, QS-iGauge GOLD RANKED JAIPUR NATIONAL UNIVERSITY, JAIPUR!

TECHNORAZZ 2026, the flagship **Technical and Cultural Fest of Jaipur National University, Jaipur**. Envisioned as a vibrant celebration of technology, talent and togetherness, **TECHNORAZZ** brings together young minds from diverse institutions on a common platform to compete, collaborate, create and celebrate. For developing the students' organizational and managerial skills through organization of and participation in such activities and events, the University organizes "**TECHNORAZZ**"- each year.

JAIPUR NATIONAL UNIVERSITY, JAIPUR, established by the Government of Rajasthan through the Jaipur National University, Jaipur Act 2008, is a UGC approved and NAAC A⁺ accredited institution of higher education, research and innovation.

The University offers a diverse range of cutting-edge Undergraduate, Postgraduate and Doctoral Programmes across Engineering, Pharmacy, Life and Basic Sciences, Business Management, Fashion Design, Education, Law, Media Studies, Hotel Management, Computer and System Sciences, Agriculture, Languages & Literature, Social Sciences, Nursing, Medical and Para-Medical Courses. Its technical and professional programmes are approved by the respective regulatory bodies –UGC, AICTE, PCI, INC, BCI, NCTE, NCAHP and NMC.

Having successfully completed **19 glorious years**, JNU has emerged as one of the fastest growing quality conscious University in the country. The University takes particular pride in its **Institute of Medical Sciences & Research Centre (JNUIMSRC)**, a multispecialty medical institution that adds significant strength to the University's academic, clinical and research ecosystem.

JNU takes pride in aligning its academic activity-mix with NEP 2020, NAAC, NABH and other regulatory guidelines. As a progressive and student – centric institution, the University believes that meaningful education extends beyond the classroom. JNU therefore strikes a fine balance between the Curricular, Co-curricular and Extra-curricular activities by encouraging and motivating its students to organize a variety of sports, cultural and domain specific events like dance, drama, fashion, singing, paper presentations, quizzes, debates, software and hardware development, etc. on regular basis. This provides students with opportunities to discover their talents, develop confidence, acquire essential leadership, teamwork and organizational skills.

TECHNORAZZ 2026 is scheduled to be held for three days during September 29 to October 01, 2026.

Around 10,000 students from over 100 select Institutions of Rajasthan and other states will be joining us to participate in and celebrate **TECHNORAZZ** with us. You will surely appreciate that this will provide a much needed exposure and platform to the participants for an invigorating exchange of innovative ideas and information as also to learn from each other.

TECHNORAZZ, being a platform of the youth, by the youth and for the youth, is aimed at inculcating in them the sense of duty, responsibility, discipline and belongingness on the one hand and prepare them to meet the challenges in life ahead, on the other.

TECHNORAZZ will glitter with the gracious presence of Bollywood celebrities, eminent scholars, scientists, technocrats and seasoned professionals from the industry.

Responding to the call of times ahead, a couple of unique activities in its Cultural (*Stage on Rage*) and Technical (*Shark Tank, Hackathon, Mystery solving, Drone Race etc.*) events have been added to make **TECHNORAZZ 2026**, a unique and attractive **TECH FESTIVAL** of its kind.

Brochure and poster of the different events are enclosed.

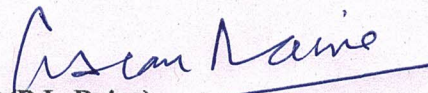

We, therefore, approach you to kindly provide your whole hearted support to **TECHNORAZZ 2026**, encourage and motivate your students to participate in the events of their choice in a big way, so that the mission of promoting technical and cultural activities and festivities amongst the youth can be carried forward.

Your support will not only provide young participants with a valuable platform to showcase their abilities but will also contribute meaningfully to our shared endeavour of promoting innovation, creativity, technical excellence and cultural expressions among the youth.

We look forward to your valued support and enthusiastic participation in **TECHNORAZZ 2026**

Thanking you and with warm regards,

Sincerely,

(R.L. Raina)
